SOLSTICE BEHAVIORAL HEALTH

The mind, body and spirit equation is core to Full Life's mission. This value is central to Solstice, our licensed community mental health program.

The Solstice team partners with our clients in a safe and supportive atmosphere, empowering them to maintain independence while enhancing their quality of life.

Our compassionate team has extensive experience helping people who live with serious and persistent illness. Our staff members include: geriatric mental health specialists, licensed clinicians, masters level case managers and an advanced registered nurse practitioner.

We offer coordinated care that addresses a full range of client issues, including:

- Depression
- Anxiety
- Trauma
- Grief and loss
- Life transitions
- Chronic pain
- Hoarding
- Schizophrenia
- Bipolar disorder
- PTSD
- Health issues and serious illness

Our services include:

- Assessment and diagnosis
- Treatment planning
- Individualized therapy
- Case management
- Supportive groups
- Caregiver support
- Arts and wellness studios
- Medication management

Payment options include Washington State Medicaid/Apple Health, private pay, and sliding scale.
